

7TH GRADE DISTANCE LEARNING INFORMATION

Parents and students,

We will be utilizing Google Classroom to deliver instruction and assignments to you each week. All 7th grade classes (including electives) will be posted on one classroom page. You can access Google Classroom on a computer, iPad, Playstation, Xbox, mobile device app, or a mobile device online.

Student Login Information:

Username:

The last two digits of your graduation year (should be 24-26), first initial, last name @ bradyisd.org.

Example: 25nmitchell@bradyisd.org

Password:

Capital first initial, lowercase last initial, lunch number

Example: Nm25000

Once in Google Classroom, you will need to make sure you have the 7th Grade Class. I have added all students to this new classroom. If you have problems finding the class, the code is **aujou7i**.

As of right now, you will be required to complete one assignment per class each week, however they may be broken up into smaller parts depending on content. This may change depending on future circumstances that we cannot predict at this time. **These assignments will be taken for a grade.** There are also extra credit assignments posted (if you get bored).

If you have any issues accessing the instruction online, please reach out to the school or one of the teachers. Please add us on Remind if you have not already:

Mitchell (SS) - 1920txh
Prieto (SC) - scbms719
Jones (RD) - h28bge

McKay (W) - bms105
Crain (M) - 6ag3ea

Students who do not have any sort of access to a device may contact the school to check out a laptop after signing an agreement form. Free WiFi is offered at the following locations in town as of now: McDonalds, Public Library, and Dairy Queen. Be on the lookout for information about accessing the internet from the district. Furthermore, low-tech/paper options will be available to students for pickup at the front office each Monday from 8a.m. to 3p.m.

Stay healthy!

Sincerely,
7th Grade Teachers
BRADY MIDDLE SCHOOL
