

8th Grade Distance Learning Information

Brady Middle School

Parents and students,

We will be utilizing Google Classroom to deliver instruction and assignments to you each week. Each subject has a separate online classroom where you will access the information, this includes core and elective subjects. You can access Google Classroom on a computer, iPad, PlayStation, Xbox, mobile device app, or mobile device online. You will only need to complete the assignments for the classes that are currently on your schedule.

Student login information

*****Your student should already know this information, but in case they forgot it:***

Username: The last 2 digits of your graduation year, first name initial, last name@bradyisd.org

Example: 24slawrence@bradyisd.org

Password: Capital first initial, lowercase last initial, lunch number

Example: SI000000

Once in Google Classroom, you will need to join the 8TH GRADE PAGE, not individual teacher pages. The class code is **ywikfqm**. Your assignments are listed under each subject.

As of right now, you will be required to complete all assignments by their due date. This may change depending on future circumstances. **These assignments WILL be taken for a grade. Check the Google Classroom calendar for due dates for the assignments.** The calendar can be located on the top left corner under the three lines.

Students who do not have any sort of access to a device may contact the school to check out a laptop after signing an agreement form. Free WiFi is offered at the following locations in town as of now: McDonalds, Public Library, and Dairy Queen. Be on the lookout for information about accessing the internet from the district. Furthermore, low-tech/paper options will be available to students for pickup at the front office each Monday from 8a.m. to 3p.m.

Stay healthy!

Sincerely,

8th Grade Teachers Brady Middle School

Additional Learning Resources

If you would like to provide your child with additional learning, here are resources:

Adventure Academy (math, reading, science) – It is similar to prodigy where they are learning through a game. They are offering 1 month free right now.
<http://www.adventureacademy.com>

You can also use this site and use the school code:

<https://www.adventureacademy.com/redeem/>

CODE: SCHOOL7581

Scholastic – There are offering free learning resources each day. Scroll to the bottom and click grade 6+.

<https://classroommagazines.scholastic.com/support/learnathome.html>

Epic – www.getepic.com Class code: jag1130 They can read/listen to books and watch videos.

Khan Academy – They can look up additional information and video tutorials.
www.khanacademy.org

As of right now, the public library is still open. Go check out a book!
