

BMS Art 6-8

Distance Learning Information

Parents and students,

We will be utilizing Google Classroom to deliver instruction and assignments to you each week. Art 6-8 elective class has a separate online classroom where you can access Google Classroom on a computer, iPad, Playstation, XBox, mobile device app, or a mobile device online. In addition, you will find the Art information on the 7th and 8th grade class pages.

Student Login Information:

Username:

The last two digits of your graduation year (should be 24-26), first initial, last name @ bradyisd.org.

Example: 25ccarrithers@bradyisd.org

Password:

Capital first initial, lowercase last initial, lunch number

Example: Cc25000

Once in Google Classroom, you will need to make sure you have the BMS Art Class 6-8. I have added all students to this new classroom.

If you have problems finding the class, the code is **ue5de35**.

As of right now, you will be required to complete one assignment per class each week, however they may be broken up into smaller parts depending on content. This may change depending on future circumstances that we cannot predict at this time. **These assignments will be taken for a grade.**

If you have any issues accessing the instruction online, please reach out to the school.

Students who do not have any sort of access to a device may contact the school to check out a laptop after signing an agreement form. Free WiFi is offered at the following locations in town as of now: McDonald's, the public library, and Dairy Queen. Be on the lookout for information about accessing the internet from the district. Furthermore, low-tech/paper options will be available to students for pickup at the front office each Monday from 8a.m. to 3p.m.

Sincerely,

Ms. Camille Carrithers

BRADY MIDDLE SCHOOL, ART SPECIALIST
